### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

The closet available prior arts, The McGraw-Hill Companies [Build a Book Online, <http://web.archive.org/web/19980513002459/http://mhhe.com/primis/> and <http://www.mhhe.com/primis/catalog/pcatalog/primisweb.ppt>] combined with USP 6,073,148, issued to Rowe et al., also teach a method and program for storing a book. However, the McGraw-Hill and Rowe fail to teach or suggest:

*an identifier file object containing a list of content entity identifiers defining the content of the content object, wherein a hierarchical arrangement of the content entity identifiers within the list includes at least one hierarchical tier and at least one subordinate tier and corresponds to a user-defined content object hierarchical structure, and wherein the content entity identifiers are determined by the processing system and placed in the list in response to user selection of content entities for the content object as in claims 1, 16 and 31;*

*an identifier file object containing a hierarchical outline of containers and content entity identifiers defining the content and corresponding to a user-defined hierarchical structure of the content object, wherein each container represents an outline hierarchical tier and includes at least one content entity identifier forming a subordinate outline hierarchical tier, and wherein the content entity identifiers are determined by the processing system and placed in the outline in response to user selection of content entities for the content object as in claims 8, 23 and 38;*

Therefore, the invention is allowable over the prior arts of record for being directed to a combination of claimed elements including the providing steps as indicated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
